

Remote Access (eduID) to Databases

Our registered patrons may access the Library's subscription databases remotely. Remote access is available to registered patrons excluding customers holding a free visitors' library card.

Via remote access patrons may currently use the following databases:

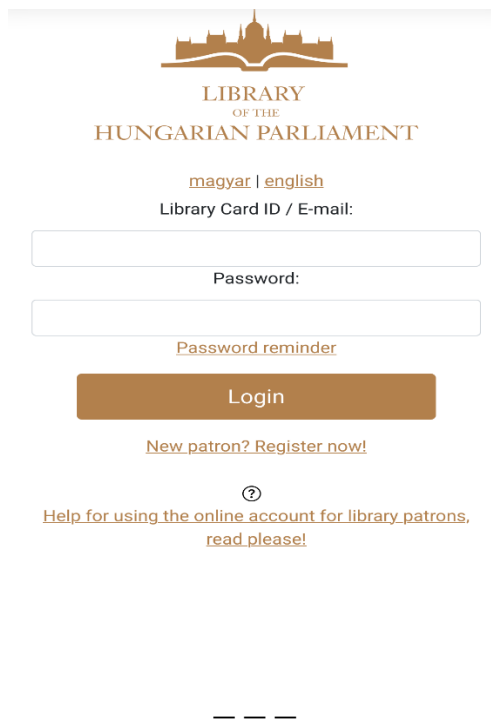

- **Szaktárs Database Portal** (Akadémiai Kiadó Digital Archive, Argumentum Kiadó, Gondolat, Kalligram, Napvilág and Osiris Digital Database),
- **Academic Dictionaries,**
- **Akadémiai Kiadó Hungarian Electronic Reference Works Service (MeRSZ),**
- **Cambridge Journals – Humanities and Social Sciences,**
- **De Gruyter – Social Sciences and Humanities Package,**
- **EBSCO – Academic Search Complete,**
- **Gale Research Complete**
- **HeinOnline,**
- **JSTOR,**
- **L'Harmattan Open Access & L'Harmattan Archive,**
- **Oxford Journals – Law Collections and**
- **Proquest Central.**

The databases may be reached quickly through our website:

<https://go.ogyk.hu/e-resources>

EduID authentication (occasionally also referred to as Shibboleth) is usually available under the name of “Institutional login” or “Login through your institution” on the content provider’s (Arcanum, EBSCO, JSTOR etc.) website. To log in to Hungarian language databases, “Országgyűlési Könyvtár” shall be looked for on the institutional list. For the authentication you will need your library card number and the related password.

Eventually, the system shall universally offer the login window below requiring the user’s personal login data mentioned above:
